

Report to the Meeting of the Trust Board of Directors Held in Public

Date of Meeting: 23 July 2013

Enclosure: 4

Title of Report	Keogh Review, Outcomes and Next Steps
Author	Ann Farrar, Interim Chief Executive
Executive Lead	Ann Farrar, Interim Chief Executive
Responsible sub-committee	n/a
Date of paper	17 July 2013
Executive Summary	<p>The aim of this report is to outline the findings of the Keogh Review, our approved action plan and progress.</p> <p>The report to Trust Board last month confirmed the range of regulators, their concerns and our improvement plan. This report focuses on the following:</p> <ul style="list-style-type: none"> ▪ Trust's Action Plan to support enhanced governance (enclosed) <ul style="list-style-type: none"> ○ Escalation of Risk (enclosed) ○ CQC Compliance (to be tabled) ▪ Deanery Action Plan (enclosed) <p>One of the recommendations was to produce a single plan for our ambition of high quality care, consistently, and this is being developed by the Medical Director, Director of Nursing and Director of Governance, and will be completed by September. However, many of the themes are included in this report.</p> <p>The published findings by Professor Sir Bruce Keogh were sent to Board members on 16 July, as follows:</p> <ul style="list-style-type: none"> ▪ Review into the quality of care and treatment provided by 14 hospital trusts in England. ▪ Rapid Responsive Review Report for Risk Summit for NCUH. ▪ Key Findings and Action Plan following Risk Summit.
